"The LORD bless you and keep you; The LORD make His face shine upon you, and be gracious to you; The LORD lift up His countenance upon you, and give you peace." Num 6:24-26 NKJV

As we mentioned before, we would like over the next several months to introduce our children to you so you can get to know them and love them as much as we do. You can greatly bless their lives by praying for them.

The next child we would like to introduce to you is Omar, click the link to see a photo.

We at Gabriel House call him, " Omarcito".
Omarcito is 3 years old . He came to Gabriel House as an abandoned baby.

The bad news is Omarcito is HIV positive. The good news is Omar is a happy, otherwise healthy ,
typically developing toddler who just needs a family to love him. As long as Omar receives his
medicine, he has every chance to live a normal life. Medical authorities now believe that there is
almost no danger of contracting HIV within a normal family environment, as long as contact with
body fluids is dealt with by using good hygiene and hand washing.

Omar loves to walk with his fellow toddlers on the follow-rope and jump on the trampoline. His favorite
toys are cars and trucks, and he likes to throw and catch a ball.

We are praying that there is a family out there that needs this cute dimpled toddler to make their lives complete.

Please pray for Omar that he will continue in good health and come to faith at an early age.

Love in the mighty name of Jesus,

Ted, Renie, the children and staff of Gabriel House
