We are indeed blessed. In the last two months three beautiful babies have come to Gabriel House. Baby Chloe came about 6 weeks ago. Baby Lydia came shortly after and was born with fetal drug syndrome and a victim of suffocation at birth by her mother. Following Lydia came baby Maria Guadalupe Chloe who was born to a mother who has the HIV virus. Maria Guadalupe was abandoned at the hospital because she also has Downs Syndrome. At 7 months she continues to wear newborn clothes.

Plans are in the works to buy the empty lot across the street in order to expand our operation, and give more room for the children.

God is ever looking out for us. Ted went to see his doctor last Wednesday. He had chest pains, shortness of breath, and high blood pressure. The Doctor would not let him leave his office. An ambulance was sent for and Ted was transported to the Veterans hospital where he underwent a cardiac catheterization and had a stint placed in a blocked artery. God in His mercy kept His hand on Ted. He now has a renewed heart.

Gabriel House has under gone some changes. Some of you have already received the news that we have come under the umbrella of Mexican Medical Ministries. We still have the complete autonomy of Gabriel House with the blessing of financial accountability, and help with coordinating the multitude of groups that come to visit us every weekend and summer.

If your group is planning a visit to Gabriel House, you must contact:

We are also asking that any financial support for Gabriel House be sent to Mexican Medical. Make checks out to Mexican Medical Ministries with Gabriel House written on the memo line

Mexican Medical Ministries has a long a prestigious reputation of financial responsibility, and Christian service through out the US and internationally. More information is available through their website at www.mexicanmedical.com.

We have a wonderful team of American volunteer workers that are not supported by Gabriel House except for their room and board. They work tirelessly to help train our Mexican Staff and to take up the slack where ever it is needed. We meet daily to pray and petition the Lord on behalf of Gabriel House.

If any one has a desire to contribute to the support of any of our full time missionaries, they need only to send a check to Mexican Medical with a note attached indicating the name(s) of the missionary you would like to bless.

Our American staff members are:

Walter Kim and Juan Garcia

Mark Neafie

Stephanie Armstrong and her daughter Jessica

Walter and Tatiana Eckstein are self employed, and help in their semi-retirement with the care of one of our aides babies.

Once again thank you all for your support of Gabriel House, and thank you in advance, for conforming to our new visitor plan.

God bless you in the mighty name of Jesus,

Ted and Renie Faver
