Dear Friends of Gabriel House,

Summer is here and we know that everyone is thinking about vacations and spending time with friends and family. But, because you have a heart for the children of Mexico I'm sure you would want us to tell you about our need. For the month of June we are \$5,000 short of meeting our budget. What this means is some bills won't get paid this month which will greatly impact next month. If we continue to miss our budget the only option we have is to send some children back to the Mexican Social and Health Services agency and we never want to do that. We love these children and want to continue to care for them and share the gospel with them. Please take a minute and prayerfully consider what you can send to Gabriel House during these summer months. Your support is very much appreciated.
