

Gabriel House San Vicente is officially open. Thank you for all your prayers and support. It is very exciting to see what the Lord is doing there.

Five of our boys from Gabriel House Maneadero are now living there along with Rosita and Chuyita two little 10 year old girls with spinal bifida and paralyzed from the waist down along with Sergio, nicknamed Cheko, who will be riding in the Rosarito to Ensenada bike race on the 27th, and Jesus who has muscular dystrophy. I would say nine kids is a large family but everyone is working together to make the best life possible.

The children have already started school and are leaning basic phonics, math, and geography. The boys are learning how to keep up the yard and take out the garbage. The girls are learning how to set the table and make tortillas. Everyone joins in the work of keeping the house and yards clean and tidy. They are learning what it means to be part of a family, sharing chores as well as joys. The children are very, very, happy

It is amazing to see how quickly the children are learning and growing. On Sunday Angel and his wife Rachel take all of the kids to church. That's right all nine of them going to church as a family.

One of the things that the children would like is for a group to come and help them build a chicken coupe with nesting boxes that are low and accessible from the outside with some baby chicks so they can have fresh eggs in the near future. These are the kind of opportunities we have wanted for our kids and are now seeing them realized.

Our beginnings are humble but we feel such a confirmation from the Lord that we have taken the right path. Once again, thank you for your prayers and support.

Now that things are up and running, we are asking that all visitors to San Vicente Gabriel House make advanced arrangements just as they do at Gabriel House Maneadero by going through Craig Libby at Mexican Medical.

We are also asking all visitors to make their lodging arrangements with the local motel(s) in San Vicente and not plan to stay at Gabriel House, so our workers there are not overburdened by extra visitors. Also please keep the visiting days to Friday and Saturday from 9 am to 12 noon and 1 pm to 5 pm.

Permission to visit Gabriel House San Vicente and all arrangements must come through Craig Libby at Mexican Medical 619-420-9750 or caravans@mexicanmedical.com Craig will e-mail you all the necessary forms to be filled out for the days you visit for release of responsibility. We would very much appreciate your cooperation on this. It is very difficult to have classes and learning programs for the kids when visitors pop in unannounced. I'm sure you understand.

Love, in the mighty name of Jesus
Ted, Renie, the staff and kids of Gabriel House
