

Betzy

She is here and she is beautiful!

Bety smiles whenever she is touched or talked to; she is very alert and very aware of her surroundings.

Poor baby, she eats everything in sight. She must think she is in heaven with all this food and all these hugs. But you won't know her in a month. She will have some fat on those poor bare bones.

Angelica and I laid hands on her and prayed for her complete healing.

(Mat 19:13-15)MSG Then little children were brought to Him, that He should put His hands on them and pray. And the disciples rebuked them. But Jesus said, Allow the little children to come to Me, and do not forbid them; for of such is the kingdom of Heaven.

And He laid His hands on them, and departed from there.

Thank you, Thank you, Thank you, for those of you who have stepped forward to sponsor her. We have \$40.00 in monthly commitments toward the \$625.00 monthly that is needed for her care. \*DO I HEAR \$45.00???\* Please keep those pledges coming.

This is a child that will walk and talk in the name of Jesus!  
Love, in His name,  
Renie
