Dear Friends of Gabriel House,

It has been several months since there has been a newsletter from Gabriel House and much has happened. Things are well with Gabriel House but Renie is struggling with serious health issues.

Ted and Renie have tried not to burden anyone with their health or financial concerns but Galatians 6:2 says, "Bear one another's burdens, and so fulfill the law of Christ." Ted and Renie bear the load of Gabriel House and burdens are the extra thing that come up, that is why we are sending this note.

Some weeks ago Renie had severe back pain and it was determined to be coming from her kidney. It is plugged and not draining properly due to an infection thought to have been handled and over with. As a result they have had to make many trips to San Diego for treatment and she is scheduled to go back on Monday to be admitted to the hospital. This has caused a burden on their personal budget and they have used all their reserves.

We don't know what is ahead of them in the way of medical expenses and personal living expenses for Ted while Renie is in San Diego in the hospital. Please pray for her healing and God's financial provision. I know that God is her healer and provider but I also know that He works through doctors and generous friends who are willing and able to help financially in their time of need. If you are able to help, please send your check to Mexican Medical, 7850 Lester Avenue, Lemon Grove, CA. 91945 with Ted & Renie in the memo area or on-line at www.mexicanmedical.com.

Blessings,
David and Peggy Fend
