Dear Friends of Gabriel House,

We are thrilled with all requests for ideas about what to give our kids for Christmas. Thank you all for your thoughtfulness and willingness to love on our kids at Christmas time.

Although we have 35 children at this time, only 10 are capable of independent play. They are, Sergio, Teddy, Antonio, Jose, Alex, Pilar, Irene, Marcos, Edwardo and Carlos.

The other children might enjoy things they can watch or listen to like mobiles, and DVDs. Of course, with the cost of shipping gifts to Mexican Medical being what it is, you might want to consider a cash contribution designated for Christmas gifts and we will purchase them here in Ensenada. We now have a Wal-Mart and Costco, what more do you need?

Another thought is, as you know our kids have special needs. A more accurate way to say it would be that they have unique needs. One thing that concerns us most is the lack of specialized pediatric care available through the Mexican government. Our kids could benefit from a private pediatrician and I'm convinced their lives would be changed. A financial contribution to our "special medical treatment" fund would be to the kids "the gift of improved health". What a blessing that would be to them.

Please send all gifts and cash donations to:

Thank you and thank you for all the love you show us and our kids.
